**Dell’Osso Family Farm’s COVID-19 Statement**

We are working closely with the State of California and San Joaquin County agencies and implementing protocols with Federal and California Industry Guidance for COVID-19 operations.

We will require face masks upon entry and ask you to please bring your own protective gear...face masks and/or face shields etc., and keep your group to your household members only. We will do our part by wearing face masks and providing hand sanitizing stations placed throughout the farm. Our staff will be sanitizing high touch areas for everyone’s protection. The 6’ social distancing requirement will be implemented as well. Please be mindful of other guests while walking or standing around. We ask that everyone follow these guidelines during their visit to the farm. We want everyone to have a safe and enjoyable experience while visiting Dell’Osso Family Farm.
